Fasset Training - Professional Courses for Business

Fasset Training

Fasset Training provides a wide range of professional training courses. Whether you want to improve awareness or gain a professional qualification Fasset can help. Courses available include NEBOSH and CIEH externally certified qualifications or bespoke courses provided to meet your individual requirements. Training available includes Health and Safety, Environmental, First Aid, Fire Management and Fire Safety.

HEALTH AND SAFETY IN THE WORKPLACE

27 million work days on average are lost each year as a result of injury or illness. Workplace health and safety training can help to reduce incidence of both injury and illness and the adverse impacts on your business.

Workplace Health, Safety and Environmental legislation places a significant emphasis on an employer's obligation to ensure employee competence. Training plays a critical part in ensuring this competence.

TRAINING FOR YOUR BUSINESS

Fasset Training provide a range of training courses available to book today, additionally we can work with your business to structure a tailored training and competence programme. Talk to one of our expert team today to discuss further.

Course Information

FIRST AID AT WORK

FIRST AID AT WORK QCF Level 3 Award

Approved by the First Aid Industry Body and Quality Care Academy this course teaches the practicalities of first aid treatment.

ACTIVITY FIRST AID Level 2 Award

A comprehensive course covering how to deal with conditions specific to leisure, sporting and outdoor activities.

FIRST AID AT WORK REQUALIFICATION QCF Level 3 Award

Existing first aiders can refresh their knowledge and update their certification.

PAEDIATRIC FIRST AID Level 2 Full Qualification

This course focuses on emergency scenarios that face professionals looking after young children and infants. It meets the standards required by Ofsted.

CARDIOPULMONARY RESUSCITATION (CPR) AND AUTOMATED EXTERNAL DEFIBRILLATION (AED) Level 2 Award

If you are interested in furthering your emergency first aid skills, or already take part in an organised first aid scheme, then this course would suit you.

EMERGENCY FIRST AID AT WORK (EFAW) Level 2 Award

If your risk assessment indicates that first aid training covering emergency protocols only is sufficient for your workplace; this one-day course will help you meet your regulatory requirements.

CIEH AWARDS

CIEH LEVEL 2 AWARD – PRINCIPLES OF RISK ASSESSMENT

This qualification is designed to help improve the workplace culture for occupational health and safety by enabling learners to understand the basic principles of risk assessment.

CIEH LEVEL 2 AWARD – FIRE SAFETY PRINCIPLES

This course allows candidates to develop their basic fire safety awareness. It is particularly useful for employees with designated responsibility for workplace fire safety, and provides the knowledge that will allow them to carry out duties relating to fire safety and emergency procedures.

CIEH LEVEL 2 AWARD – MANUAL HANDLING PRINCIPLES & PRACTICE

This qualification, aimed at those who carry out manual handling at work, provides essential information about manual handling hazards and their control.

CIEH LEVEL 2 AWARD – PRINCIPLES OF COSHH

This qualification will prepare employees to contribute to the safer use of hazardous substances in co-operation with their managers and supervisors.

NEBOSH CERTIFICATES

NEBOSH GENERAL CERTIFICATE IN OCCUPATIONAL HEALTH AND SAFETY

A great course providing a broad understanding of health and safety issues for managers, supervisors and staff from all types of organisations.

NEBOSH CERTIFICATE IN ENVIRONMENTAL MANAGEMENT

This course provides a good overview of environmental management systems.

NEBOSH NATIONAL CERTIFICATE IN CONSTRUCTION HEALTH & SAFETY

This course is aimed at managers, supervisors, designers and CDM Co-ordinators and anyone who manages contractors.

NEBOSH COMBINED GENERAL/FIRE/ ENVIRONMENTAL CERTIFICATE

This is an opportunity to maximise the learning opportunity by combining three courses in one.

NEBOSH NATIONAL FIRE CERTIFICATE

This course is intended to equip holders to carry out fire risk assessments of most workplaces and identify the range of fire protective and preventative measures required.

NEBOSH COMBINED CONSTRUCTION/ FIRE/ENVIRONMENTAL CERTIFICATE

This is an opportunity to maximise the learning opportunity by combining three courses in one.
